EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Harris Zimmerman on 19 June 2007.

The application has been amended as follows:

In the claims:

Please replace claim 11 to read -- In a computer system having a display, a method for playing media files, comprising the steps of: providing a play rectangle on the display, said play rectangle having a continuous rectangular perimeter formed as a continuous time line, dragging a media object associated with a media file to the play rectangle, and in response to dropping the media object in the play rectangle, playing the media file. --

In claim 18, please replace "including" in line 1 with --comprising--.

In claim 20, please replace "including" in line 1 with --comprising the step of--.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: As indicated in the previous Office Action dated 28 November 2006, Claims 11-20 are allowed. The claims contain the limitation "providing a play rectangle, said play rectangle having a continuous rectangular perimeter formed as a continuous time line, and dragging a media object to the play rectangle, and playing the media". The closest relevant prior art, the Crow and Moran references, fail to

teach "a continuous rectangular perimeter formed as a continuous time line" and a subsequent prior art search failed to produce any relevant results.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
